All records in your possession (electronic and original paper format) associated with your appointment to act as a member of the board of directors for the above-mentioned entities. Records provided should include all contracts, agreements, obligations, meeting minutes, notes, memorandum, records of compensation, correspondence (to include emails) and any other records/documents addressing the details of your appointment and any actions taken by you as a member of the board since your appointment (i.e.: recent decisions made by the board to change or restructure current company leadership).

This subpoena does not seek communications covered by any clergy-penitent privilege. To the extent you seek to withhold any responsive documents on grounds other than the clergy-penitent privilege, please log those documents, and provide sufficient, non-privileged information to enable the government to evaluate the applicability of the claimed privilege or other basis for non-disclosure.

**INSTRUCTIONS FOR PRODUCTION OF ELECTRONICALLY STORED RECORDS**

**I. General**

A. Electronically stored records shall be produced in electronic form and shall include text data and image data held:

1. In your record retention systems; and/or
2. By your technology, data, or other service provider(s).

**II. Text Data**

A. Text data relating to transactions shall be produced within a data file:

1. Using a delimited ASCII text data format; or
2. Using software that can export to a commonly readable, non-proprietary file format without loss of data.

B. Text data files relating to transactions shall include field descriptions (e.g., account number, date/time, description, payee/payor, check number, item identifier, amount, etc.)

**III. Image Data**

A. Image data shall be produced in graphic data files in a commonly readable, non-proprietary format with the highest image quality maintained.

B. Image data of items associated with transactions (e.g., cancelled checks, deposit slips, etc.) shall be:

1. Produced in individual graphic data files with any associated endorsements; and
2. Linked to corresponding text data by a unique identifier.

IV. Encryption/Authentication

- A. Electronically stored records may be transmitted in an encrypted container. Decryption keys and/or passwords shall be produced separately at the time the data is produced.
- B. Authentication, such as hash coding, may be set by agreement.
- C. Affidavits or certificates of authenticity for the records may be included as part of the electronic production.

V. Reimbursement

- A. The cost of producing financial records of certain customers may be reimbursable. See the Right to Financial Privacy Act, 12 U.S.C., Section 3415 and 12 C.F.R., Part 219 (Regulation S) (revised effective 1/1/2010).
